**Main Street has been
the single most effective
downtown revitalization
program in the country.**

of PlaceEconomics*

**"Over the past 13 years that I have worked in
our downtown district, there have been several
groups that tried to revitalize our downtown but
were never successful. The formula provided by
MMSC provides the structure that enables a group
of people to work together. Structure is the key to
the success of any project and MMSC Affiliate Grant
program provides just that."**

Alive!, a 2011 Affiliate Grant Recipient Community.*
