Dear Brandon Chamber Member,

Over the years, through the sale of our "local currency", Brandon Green aka Brandon Bucks, we have put tens of thousands of dollars back into the Brandon economy and our member's cash registers.

The certificates are 7-1/2" across and 2-5/8" in height. We have \$5 certificates that are green and \$25 gold certificates, all printed on "check" safety paper. The certificates have the printed signature of our Chamber Treasurer.

The older larger sized \$5 certificates are still in circulation so you will see a mix but the \$25 certificates are only printed in the smaller size and in gold. Check to be sure the Chamber's account number and Lake Sunapee Bank routing number is imprinted on the bottom of the certificate, it must be for them to be considered legal tender.

**You handle these just like a check**, so if someone pays you with Brandon Bucks and change is owed to them, you may give them change in cash because you will get the full \$5 or \$25 when you deposit the Brandon Green. If you have any questions, please don't hesitate to contact me. Please make sure your employees are aware of how to handle these beneficial certificates.

Sincerely,

Bernie Carr, Executive Director
