

DRUMSTRONG Vermont!

Drumming to Beat Cancer

Rob Zollman, Host

Be part of something BIG! Join us on Saturday, May 9 for **DRUMSTRONG Vermont**, a 5 hour “drum-a-thon” to raise funds and awareness in the fight to beat cancer.

Each year in May, *DRUMSTRONG* events raise awareness and funds for cancer organizations globally through family friendly rhythm gatherings. The main event in North Carolina is a weekend festival where the drumming is going for 12 straight hours this year and is listed in the Guinness Book of Records as the longest continuous rhythm drum-a-thon ever held (30 hours). Our event here in Vermont is a bit more modest but every bit as energetic and committed.

Get involved! No experience necessary

We encourage folks to drum in honor of or in memory of someone, and/or to fortify themselves. Please join us in our efforts by drumming, pledging money in connection with someone who is drumming, or pledging money, period. In the process you'll be helping to raise awareness and support a cause that nearly everyone can relate to.

The drumming starts at noon at Hands-On Music, 27 Center Street, Brandon, VT and goes continuously until 5 PM. You can drum for as little or as much time as you'd like, but we'll need to have at least 3 people drumming at all times. Instruments will be provided, or bring your own percussion instrument (drums, shakers, woodblocks, bells, frying pans, etc.).

Raising money to beat cancer

This year, Hands-On Music / *DRUMSTRONG* Vermont will raise funds for Breast Cancer initiatives, the Leukemia and Lymphoma Society and Pancreatic Cancer Action Network (PANCAN). You can also pledge your donations to initiatives of your own choosing.

Ways to donate:

1. Sponsor a drummer.
2. Make an outright donation.
3. Silent Auction: bid on an item, or offer an item.

Fill out a pledge form and make your donations payable to DrumsForCures Inc., the 501(c)(3) non-profit charity organization that produces the cancer health resource *DRUMSTRONG*™ events.
