

March 18, 2016

TO: ALL NORTH AMERICA AFTERMARKET USERS OF wiTECH
DIAGNOSTIC TOOLS AND EQUIPMENT

ATTN: SUBSCRIBERS

SUBJECT: Temporary Tool Licenses Expiration

By May 31st, 2016 Mopar will disable all access to unlicensed or temporarily licensed wiTECH accounts and devices.

If you are a current unsubscribed or temporarily subscribed user, please contact an authorized reseller to set up your subscription and avoid interruption in service.

Please take action prior to May 31st, 2016 to avoid any interruption in your service and to properly subscribe .

CUSTOMER SITE WITH MULTIPLE WIRELESS DEVICE USAGE: Customers who desire to use wiTECH with more than one device are eligible for a site-subscription. Site usage requires wiTECH provided secure wireless networking equipment and annual subscriptions for the site and for each device used with that site.

CUSTOMER SITE WITH SINGLE WIRED DEVICE USAGE: Customers who have a need for a single device at their site are eligible to use wiTECH anywhere provided the device is connected to a computer. Single device usage requires annual subscriptions for each device.

SUBSCRIPTIONS: The use of unsubscribed devices is strictly prohibited. Please contact wiTECH Sup [| c [| æ ^ æ c @ | ã ^ å | ^ • ^ | | ^ | to properly subscribe your devices and avoid any interruption in service.

**WIRELESS USE OF wiTECH WITH DEVICES OUTSIDE OF SECURED
wiTECH NETWORKING EQUIPMENT IS PROHIBITED**
