Montgomery 5K and 10K River Run was a Huge Success!

The Village of Montgomery hosted its 11th annual 5k and 10K River Run on Saturday, October 4, 2014 at 9 a.m. Even though the weather was not the best, we still had our biggest turnout for the event. We had a total number of 259 runners participate in this year's event! This year the proceeds from the race will be donated to benefit the Montgomery VFW Post #7452.

There were some new things to see and do at the race this year. Rondi S.E.L.F. Fitness out of Oswego led participants in their pre-race warm-ups and stretches. There were also several area vendors on-site for participants and their families to visit. Advance America, Chiro One Wellness Center, Nature Trail Runners, Physicians Immediate Care, and It Works! Also, the famous Dick Pond Athletics' Shoe Truck was on-site!

Thank you to everyone that came out and braved the weather and volunteered their time in order to make the race a success as well. All the students from the Aurora University Nursing program; Doug Maracek, Village Trustee; Stan Bond, Village Trustee; employees from the Village of Montgomery and Engineering Enterprises, Inc.

A special thank you to all our sponsors!
