For Immediate Release: July 15, 2015 MONTGOMERY, IL -

A commercial bus tour took place in Montgomery on Thursday, June 25, 2015 from 8:00 a.m. to 11:30 am.

The MEDC and the Village of Montgomery Community Development Department coordinated the event in an effort to highlight vacant properties for sale or lease in the Village. The tour started at Village Hall and included a brief breakfast with a visit from the Village President.

After boarding the bus, the group visited a series of buildings and sites throughout the community. The last stop was Gray's Mill and it was exciting to know after the tour the building was scheduled to be shown to a new prospect. Exposure is everything! The MEDC has been conducting these tours over the last four years.

Special thanks to everyone for making this another successful event. Also special thanks go out to " Spare Wheels" who supported us with an excellent bus, driver and excellent service.
