

US Route 30 Widening and Reconstruction

Contract #60I32: From Briarcliff Road to US Route 34
Contract #60I33: At IL Route 31 Interchange & BNSF Railroad
Village of Montgomery & Village of Oswego

PROJECT OVERVIEW

Contract # 60I32 From Briarcliff Road to US Route 34

This project will consist of the reconstruction of US Route 30 from one lane in each direction to two lanes in each direction separated by a raised barrier median. The road will be bounded by curb and gutter on both sides. The bridge structure carrying US Route 30 over the Waubensee Creek will be replaced. Other items of work include sidewalks, noise abatement walls, traffic signal modernization, drainage improvements, interconnect and modernization of traffic signals, guardrail and traffic barriers, transition lighting, pavement markings, and landscaping. This project corridor includes the Village of Montgomery, the Village of Oswego, and Oswego Township of Kendall County.

Contract # 60I33 At IL Route 31 & Burlington Northern Santa Fe Railroad

The scope of work includes roadway reconstruction, widening, and resurfacing of both US Route 30 and Illinois Route 31. All ramps will be reconstructed and realigned. Additionally, the ten-span bridge structure carrying US Route 30 over Illinois Route 31 and the Burlington Northern Santa Fe Railroad is to be widened and re-decked, including the replacement of two piers. Other items of work include intersection signalization, a new railroad grade crossing, culvert additions and extensions, drainage improvements, roadway lighting, pavement striping, and landscaping. This project is located within the Village of Montgomery of Kane County.

Contract #60I32

Project Start Date: March 2013
Project End Date: August 31, 2014
Project Cost: \$22,350,000
Project Municipalities: Montgomery, Oswego
Project County: Kendall, Kane

Contract #60I33

April 2013
August 31, 2014
\$21,150,000
Montgomery
Kane

The link below has been created to provide one location where the public can get details about the US Route 30 Widening and Reconstruction & the US 30 @ IL Route 31 Interchange improvements. This information is intended to help you understand what we will be doing and when the work is anticipated to take place. As the Department works to make this section of roadway safer for the future, we want to make sure users, residents and local business owners have up to date information on the progress of the project. If you have any questions about the project that have not been answered with the information on this Flyer, please use the "Contact Us" section on the webpage and a response will be sent to you.
