SATURDAY AFTERNOON BREAK-OUT SESSIONS

Each Disciple Woman will have the opportunity to attend 2 sessions.

Prayer, Charlotte Nabors (takes both sessions)

Relationships can get stale when communication is routine, shallow or infrequent. The same thing can happen to our prayer relationships with God. This seminar will offer participants an opportunity to explore ways of enriching their prayer life in both individual and group settings. In order to have the time needed for depth of prayer and reflection, it will encompass the full two-hour break-out time. Be sure to bring your Bible to this session.

Daughters of Abraham, Panel Group

This seminar will encompass a panel of three women of different faiths (Christian, Jewish, Muslim) who have come together in love and respect for each other. In general, you will learn about how and why the organization began and what their meetings are like. They will emphasize a few of the main similarities these faiths share and each will share briefly about the unique aspects of their faith.

Bible Journaling, Ruby Jett

God encourages us to remember; and recording a moment of illumination, decision, or event is a way to respond to God's activity in your life. Like a photo that reminds you of a special moment, journaling is a way to remind yourself that God is ever with you. Come to this seminar to learn creative ways of journaling. \$5 fee payable at the session.

Craft Making, Disciples Women of FCC, Kerrville

At this session you will create a beaded safety pin bracelet. Materials will be provided at a \$5 fee payable at the session.

Mission Opportunity – Visit Juliette Fowler Communities (takes both sessions)

Please note this opportunity will be limited to 25 participants. The trip will take the full two-hour break-out time. Participants will take part in an activity with the residents and will be transported to Fowler Communities and returned to the hotel at approximately 3:30pm.
