

# Every patient is a **PERSON WITH A STORY**

## SHARE YOURS AND HELP US IMPROVE HOW WE CARE FOR PATIENTS

We are seeking volunteers to meet with medical students and share their experiences of life with chronic illness. By volunteering you can make an important contribution to improving medical education and patient care. We hope you'll join us.

**Who is eligible?** Patients with chronic illness and regular contact with the healthcare system, who live within a **40 km radius** of the University of Alberta.

**What will I do?** Once every two months, you will visit with students in your home to talk about your experiences as a patient. Once per year, the students will accompany you to a medical appointment.

**What are the benefits?** As a mentor, you have a unique opportunity to participate in and influence medical education. Your contribution will help future doctors better understand the experience of living with illness and improve patient care.

### To apply, please contact:

Tel: 780-248-1311
