We would like to invite you to join the Junior Academy Summer Camps at the Indian Wells Tennis Garden. Classes are offered Tuesday and Thursday morning and evening according to age and ability level. Classes have a 6 to 1 player to Professional ratio. There will be no classes the 4th of July week.

Challengers allows children to start playing almost immediately—even if they've never held a racquet before. By using specialized equipment, proper sized courts and modified scoring—once they're on the court, they're in the game—learning while playing on a competitive ladder! Serve, rally and score!

Tour is for competitive players who are ready to take their game to the next level. Our goal is to help players develop a tournament mentality backed by strokes and strategies.
