## 2016 GARDENSTROLL

*"Gardens and flowers have a way of bringing people together, drawing them from their homes." – Clare Ansberry*

North Riverside is hosting our 6<sup>th</sup> biennial Garden Stroll **Saturday, June 18<sup>th</sup>, from 10:00 am to 4:00pm.**

The Stroll highlights 5 diverse and delightful residential gardens, as well as our project triangle garden and community vegetable garden. Admission is \$5.00 to all 7 gardens and tickets are available now at Johnson's Garden Centers and at Seasonal Decorating- 2828 W 13<sup>th</sup>. On the day of the Stroll tickets can be purchased at each host garden.

Our co-chairs for this stroll are Teresa Stumpf and Teresa Hammer. This year we are highlighting bees, butterflies, and birds as well as our gardens. Guests can meet the gardeners at each home, chat with local honey beekeepers and Monarch butterfly advocate Teresa Hammer, and get advice from members of Wichita Rose Society and Wichita Hosta Society.

Hosts for the gardens are Sam Cline and Becky Farris Cline 1919 N. Payne, Michael and Kathleen Webb 1415 N. Salina, Lily and Eugene Hoffman 1530 W. 20<sup>th</sup>, Warren and Claire Willenberg 1402 N. Garland, Jean Hanson & Linnea Glenmayer 1435 Woodland, John Ruder & Matt Starkey at the Community Vegetable Garden. John and Matt donated the use of the land to grow vegetables for the neighborhood. They are responsible for most of the work on this year's "Salsa Garden." Be sure and stop by!

Proceeds support neighborhood landscape and improvement projects including our Triangle Garden at McKee and Coolidge and Community Garden at 15th and Woodland.

The Triangle Garden was the first completed beautification project funded by proceeds of previous Strolls. It was planned, planted, and tended by Garden Stroll Committees and many neighborhood volunteers. Later the Community Vegetable Garden and a landscaped neighborhood entry sign were added. Thanks to our business partners, all administrative costs have been donated so all proceeds benefit neighborhood projects. Please see the newsletter insert and patronize the businesses and friends who helped fund the 2016 NRNA garden Stroll. **Join us on June 18<sup>th</sup>.** For more information or to volunteer to help, contact Teresa Stumpf 993-3949.

### FROM THE EDITOR

On June 18th, hundreds of people will be driving through North Riverside for our 6th Biennial Garden Stroll. We encourage all residents to take this opportunity to help show off our neighborhood by welcoming them and by working on our "curb appeal". This event is a great incentive for each of us to help tidy up the neighborhood. Sweep debris out of street gutter, pick up litter, edge sidewalks and curbs, trim lawns, and "stage" front porches. Make sure your trash container is put away out of view and don't park vehicles on your lawn. Let's show our visitors we love living here; this will also make our neighborhood an even better place for us to call home.

This garden tour is also a wonderful time to meet more of your neighbors, so please join us as a volunteer and bring family and friends to the Garden Stroll. The gardens are delightful and the hosts look forward to meeting and greeting their garden guests. See you June 4th!

### Recycle that rain— with a rain barrel

From Wichita Rain Barrels;

One inch of rain on a 1000 sq. ft. roof will yield over 623 gallons of fresh untreated water!

Rain water is naturally soft and free of minerals, chlorine, fluoride and other chemicals, so plants thrive on it.

It's perfect for lawns, house plants, and gardens as well as for use in ponds and birdbaths.

It can be used for washing cars, decks, windows and even your hair (according to Grandma Marion).

Wichita Rain Barrels are locally made; Peter Daniels repurposes 55 gallon food grade barrels. He created his environmentally-friendly rain barrel after watching a television show where a rain barrel was used to help supplement the need for city water. Daniels thought he should utilize a rain barrel at his home and rather than pay the high price of pre-constructed barrel, he researched the design and created his own. They can be found at the FarmShop, Johnsons, and both Farmers Markets most Saturdays, or attend our Tri-Neighborhood Picnic on June 4th, where we will raffle a rain barrel donated by Peter!

A second option for a rain barrel is being provided by Wichita Clean Streams. They are offering rain barrels at a discounted price of \$85, NOW through June 19th. The Ivy rain barrel comes with everything you need to assemble, collect, and use rain water. Barrels can easily be daisy chained with no added cost- all components included, even a 6' long overflow hose. *Deadline to place orders is Sunday, June 19th.*

<http://www.rainwatersolutions.com/products/wichita-clean-streams-ivy>

Pick up is Saturday, June 25, 2016 9:00am to 12:00pm at Wichita Water Center /Herman Hill Park, 101 E. Pawnee. Please plan to stay and enjoy the family friendly events in the park that celebrate the Arkansas River while picking up your rain barrel.

**For a limited time the City of Wichita will reimburse Water Utilities customers up to \$75 for any purchased and installed rain barrel.**

## Neighborhood Night Out

Mayor Jeff Longwell announced that the city will celebrate **Neighborhood Night Out**, 5 30 p.m. to 9 p.m. on **Tuesday, August 9.**

**Neighborhood Night Out**, formerly celebrated as National Night Out and Celebrate Safe Communities, is an annual event that promotes neighborhood safety and combats crime by encouraging neighbors to get to know each other through neighborhood parties, picnics and other social gatherings over one designated evening.

The City will waive park fees for groups who want to meet in a neighborhood park. While supplies last, the City will also provide barricades at no charge to groups that want to block off a portion of the street for their event.

The registration process will be announced later but start planning now. It's up to neighborhoods to decide how to celebrate. The options are limitless; a block party, picnic, ice cream social, cookout, etc.

Police Officers, Firefighters, elected officials and other City staff will attend as many of the neighborhood parties as possible. The Wichita Police Department (WPD) is the lead organizer. For more information, please contact the Wichita Police Department at 268-4165.
