a staunch supporter of
Wayland METCO. Her efforts
in town increased
awareness of diversity and
the value of integration in
our schools. This race
memorializes her name and
support.**

*METCO (Metropolitan Council for Educational Opportunity) is a voluntary integration program where students from Boston and Springfield are bussed to public schools in surrounding suburbs. The goals of the program are to increase access to a quality integrated education. METCO was created in 1966 under the Racial Imbalance Act. Students from Boston who participate pass the MCAS and attend college/universities at rates comparable to their suburban peers.

Support The Florence Adler Walk/Run Fund Raiser with a generous pledge/donation.
