In this 10th anniversary year of the publication of *Evangelical Lutheran Worship* you are invited to attend an event focusing on Lutheran worship in our current context. Pastors, musicians, lay leaders, and worship committees: whether you have extensive experience with ELW, are exploring it for the first time, or use other materials for your community's worship, you will find a place at these gatherings. We will open anew the gifts of God at the strong center of worship in word and sacrament. We will explore how to open more widely the doors that welcome the world to these gifts and the doors that send us with these gifts into God's beloved and needy world.
