

Blossoms of Hope

Saturday, May 7, 2016

"Every good gift and every perfect gift is from above..."

James 1:17

One of God's most beautiful gifts is flowers in springtime. On Saturday, May 7, churches in North and South Carolina will join together to share that gift with the people served by Lutheran Services Carolinas. Please consider bringing fresh flowers or plants – either purchased or homegrown – to a local LSC ministry. These plants will brighten the living spaces, and the hearts, of the people who call these communities home.

Flowers or plants can be delivered between 9 a.m. and 5 p.m. See the list of LSC supported living residences and senior living communities on page 2. There are also opportunities to participate in a landscaping project at one of these sites. This is a great service opportunity for youth groups, Sunday School classes, or congregations as a whole.

For more information about delivering flowers or plants to one of LSC's supported living residences, or to help with a landscaping project, please contact Ellen Watts at ewatts@LSCarolinas.net or (704)603-1696.
