Introductions

Discussion & Subcommittee Task ID:

- Identify goals and objectives.
- Identify local stakeholders and interest groups (this list will be added to later as the work group identifies work goals and tasks).
- Laying the groundwork: *Identify 3 initial tasks/dialogues*, specific to our region, this group would like to address.
- Establish a timeframe to complete these initial tasks/dialogues.
- (If time allows) take a more detailed look at Mass DEP resources (that may help complete the subcommittee tasks).

Establish the next meeting date(s)
