

# A Member A Day in May

## Not Yet a Member of LPC? - Join Today!

The Loon Preservation Committee's Member a Day in May membership drive was so successful for the last two years we have decided to try it again this year! Our goal is to gain **31 new members** during the month of May. If you join LPC between May 1-31, 2016, your name will be entered in a drawing for one of three prizes:

**An 11"x14" matted loon photograph taken by nature photographer John Rockwood**

**A \$100 gift certificate to The Loon's Feather Gift Shop**

**A handcrafted loon decoy**

**As a member of LPC you will receive:**

- Our comprehensive *LPC Newsletter* two times a year;
- Invitations to LPC's special events throughout the year;
- A membership decal;
- A 10% discount on merchandise from The Loon's Feather Gift Shop

***Most importantly***, you will get the satisfaction of knowing that you are helping to preserve the haunting call of the loon on lakes and ponds throughout New Hampshire.

**Your membership allows us to:**

- Monitor the number and breeding success of loons to record trends in loon populations and assess the effectiveness of our management efforts
- Build and float nesting rafts and protect nest sites
- Band loons to study their life history and take samples to monitor the health of loons and lakes
- Recover dead loons and unviable loon eggs to determine contaminant levels and causes of death
- Educate the public about loons through presentations, exhibits, signs, fact sheets and our website [www.loon.org](http://www.loon.org)
- Create a large grass-roots network of members and volunteers who help build awareness and appreciation for loons and other wildlife in New Hampshire.
