

**Dine out to support
The Loon Preservation Committee!**

On Sunday, August 14th, The New Woodshed will generously donate a percentage of the evening's sales to LPC. Reservations are strongly suggested and can be made starting July 31st by calling The New Woodshed at 476-2700. Reservations can only be made two weeks in advance and are in high demand so we encourage you to mark your calendar and call on 7/31! Please mention that you will be visiting in support of LPC when you make your reservation. To get a peek at the menu and/or restaurant photos, go to <http://newwoodshed.com>.
