

A Member A Day in May

Not Yet a Member of LPC? - Join Today!

The Loon Preservation Committee's membership drive was so successful in 2014 we have decided to try it again this year! Our goal is to gain **31 new members** during the month of May. If you join LPC between May 1-31, 2015, your name will be entered in a drawing for one of two prizes:

A framed loon photograph (21" x 17" total dimensions) taken by LPC Board Member and volunteer Brian Reilly

OR

A \$25 gift card to the Common Man Restaurants and an embroidered LPC t-shirt

As a member of LPC you will receive:

- Our comprehensive *LPC Newsletter* two times a year;
- Invitations to LPC's special events throughout the year;
- A membership decal;
- A 10% discount on all merchandise from The Loon's Feather Gift Shop

Most importantly, you will get the satisfaction of knowing that you are helping to preserve the haunting call of the loon on lakes and ponds throughout New Hampshire.

Your membership allows us to:

- Monitor the number and breeding success of loons to record trends in loon populations and assess the effectiveness of our management efforts
- Build and float nesting rafts and protect nest sites
- Band loons to study their life history and take samples to monitor the health of loons and lakes
- Recover dead loons and unviable loon eggs to determine contaminant levels and causes of death
- Educate the public about loons through presentations, exhibits, signs, fact sheets and our website www.loon.org
- Create a large grass-roots network of members and volunteers who help build awareness and appreciation for loons and other wildlife in New Hampshire.
