

Turtles of New Hampshire- One Turtle Matters

Come meet some turtles in Moultonborough !

Chris Bogard has been rehabilitating native, wild turtles for 13 years.

She will talk about the turtles species of New Hampshire – their natural history, survival rates, habitat and more.

Chris will also present some of her own research and bring turtles for us to meet!

Thursday, April 21, 2016 @ 7:00 p.m.
The Loon Center, Lee's Mills Rd., Moultonborough, NH
Handicapped Accessible. FMI: 603 476-5666
