

Camp Echo Alumni News, March 2016

The Roche Family, (Top Row) Franny, Marie, Sara, (Bottom Row) Martha, Dwyer, Marge, Kathleen, and Brian (campers 60s and 70s, Staff 70s, 80s and 00s) Recently Marge and Dwyer have moved to retirement living at 3 Crowns Park in Evanston and the kids have helped to pare down the family archives. Sara Roche Burson was kind enough to drop off about 100 slides from the 1970s of Camp Echo campers and staff. We are in the process of digitalizing them and you will see them soon in an upcoming alumni newsletter.

Dick Colberg (Staff late 50s and 60s) recently mailed us his Camp Echo memorabilia for our archives. These included a staff manual with a personal note to Dick from Camp Director Neil Featherstone and two family camp handbooks from the 1960s. These items will go on permanent display in our Camp Echo Museum next to our welcome center at Camp Echo.

We are always looking for additions to our archive collection please contact [Katie Trippi](#) if you have any items you would like to donate.

Mike "Mookie" Mortell (Camper 90s and 00s, Staff 00s) and his wife Basha welcomed their first child, a son named Arthur "Art" on January 26, 2016. The family is living in Vancouver, British Columbia, Canada.
