

**ATTENTION PLEASANTDALE MOMS
OF SOON-TO-BE AND CURRENT
KINDERGARTEN GIRLS...**

**Would your daughter like
to be a Girl Scout Daisy?**

For more than 100 years, Girl Scouts has given young women the opportunity to discover their strengths, passions and talents. They help girls build courage, confidence and character while developing important leadership skills.
AND THEY HAVE LOTS OF FUN!!

If you are interested in joining or leading a Kindergarten or 1st-grade Girl Scout Daisy Troop at Pleasantdale this Fall, please contact Giovanna Imbarrato at imbarrato@comcast.net. Include your daughter's name, fall grade level, your name, phone number and e-mail address. Also note if you are interested in being a Troop leader.

Being a Girl Scout Troop mom is truly fun and rewarding! In order for a new Daisy Troop to form, there must be commitment by at least two moms to co-lead the Troop.

For more information, please contact Giovanna at 708.508.0965 or email her at imbarrato@comcast.net.
