

MIGHTY MIKE Basketball Camp

"Limits WILL not define me...my WILL defines my limits!" –Mighty Mike

A Unique Program for Unique Kids

Skills, Drills, Thrills and Fun!

This camp is specifically tailored for children 7 to 14 with epilepsy or a seizure disorder. Mighty Mike Simmel knows what it feels like to have epilepsy, yet Mike went on to play basketball with the Harlem Wizards. This is a fun half-day camp to empower kids with epilepsy and to inspire them to reach for the stars! Come on out and 'Bounce Out the Stigma' with Mighty Mike.

Each child may invite a sibling to enroll in camp.
