RE: Application Process for 2015-2016 Scholarship Consideration

### **PLEASE READ THIS CAREFULLY**

The College of Architecture, Planning and Design offers a number of scholarships to students each year. All scholarships consider academic performance and some require financial need as a basis for consideration in addition to academic performance and other considerations. Students with a cumulative GPA of 3.0 or better are strongly encouraged to apply for consideration. Last year over 120 students in the College received some form of scholarship support.

Application materials are available only on the Internet.

Go to: <http://www.ksu.edu/sfa/apply> and follow the directions

### **ALL STUDENTS**

**Complete the Kansas State University online scholarship application by February 1, 2015** to be considered for any university, college or departmental scholarship.

### **NEED BASED SCHOLARSHIPS**

Students who have a Missouri Tuition Fee Waiver or the Midwest Student Exchange Program (MSEP) do not need to apply for continuation of their respective fee waiver.

Thank you.
