

## DESIGN INTERN

This is a great opportunity for someone seeking a design internship in an international, dynamic, fast-paced, challenging, and creative work environment.

TierraPOD – recipient of SILA, ASLA, AIA and many other awards – is an internationally recognised boutique architectural practice focused on landscape design. Based in Singapore, the Garden City, we take a very interdisciplinary approach to design by blending science, architecture, landscape architecture and interior design. Our projects address a range of typologies across Asia, and include the famed Marina Barrage, the award-winning Changi Terminal 3, ParkRoyal at Pickering hotel, and ION Orchard among others in Singapore; Banyan Tree Lijiang Resort in China; Tseung Kwan O Hong Kong, and Regent Taipei Hotel in Taiwan.

For more information, visit <http://www.tierra.com.sg>.

**Length:** Three (3) – Six (6) months

**Role Description:** Your role will be based within Singapore, and will report to the Design Team, with overall reporting a Senior Design or Project Manager. Depending on your level of experience, your primary responsibility will be to support the design and development of projects.

### *Essentials:*

- Undergraduate or Postgraduate student at an accredited school of architecture. Postgraduate student a plus, with at least one degree in Landscape Architecture.
- Ability to converse fluently in English; this includes the ability to read and speak, intermediate writing skills are ok.
- Enjoy working in a team
- Excellent communication and networking skills are a must to maintain client relationships, and liaise with consultants and project collaborators
- Good presentation and writing skills are a must
- Ability to use some of the following: AutoCAD, Revit, Rhino, Adobe CS (Photoshop, Illustrator, InDesign), Microsoft Office
- Independence in thought and action, and a willingness to stand up for their beliefs
- Respectful, understanding the Asian value system, and able to work with people at all levels in the organisation in a responsible way.
- MUST have a great sense of humour, patience, reliability and integrity
- LOTS of common sense and a deep desire to learn and grow.

### *Desirable*

- Eligible for a Work Holiday Pass (more information on Singapore Ministry of Manpower website)
- Fluency in at least one other Asian language, preferably Mandarin, Bahasa Malayu/Indonesia and/or Hindi.

Interest and passion for sustainability and environmentally responsible design

This description reflects the core activities of the role but is not intended to be all-inclusive. Other duties within the company/department may be required in addition to changes in the emphasis of duties as required from time to time.

We offer competitive salaries. The successful applicant will be asked to relocate to Singapore, if he/she does not already live here.

For immediate consideration, candidates should submit a cover letter, resume and portfolio (10mb) to [chew@tierra.com.sg](mailto:chew@tierra.com.sg) with a subject title "ATTN: Design Intern". Due to the overwhelming response, we will only contact applicants that are considered for this position.

Tierra is an equal opportunities employer.
