

# XTREME LA 2014

## Manhattan, KS

Kansas State College of Architecture, Planning & Design : Department of Landscape Architecture and Regional & Community Planning

## Student Nomination Form

Landscape Forms, in partnership with the Landscape Architecture Foundation, invites you to nominate one of your best and brightest students in their final year of study to participate in an intense two-day charrette calculated to challenge and inspire emerging design leaders.

The event will foster creative thinking, team building, and facility of expression. Two teams made up of the best-in-class young professionals from across the country and masters level landscape architecture, architecture, planning, interior architecture and product design students will work under the guidance of two prominent landscape architects to envision creative solutions for critical urban challenges in a vibrant, growing midwestern city.

This year the event will take place at K-State on Oct. 7-9. Eligible students must be in their final year of study and be nominated by an APDesign faculty member. The 13 students who are selected will need to be able to commit to the full event. Please complete this nomination form and submit it to [cdboman@ksu.edu](mailto:cdboman@ksu.edu) or in Seaton 302 by the end of the day Friday, Sept. 12.
