

SIGNAGE + WAY FINDING INTERSESSION

AUGUST 3rd - 21st

IAPD 406 ZD (2 credit hours)

Assistant Professor Donna Fullmer

FIRST TWO WEEKS - online

LAST WEEK - on campus charrette

Students will design the signage and way finding for the National World War I museum & memorial in Kansas City.

The museum just gained the rights to be the National World War I museum and memorial from Washington. It houses an amazing collection of items including tanks, planes, uniforms, fire arms, medical items and many, many more displays.

The design will include the site, vehicular and pedestrian signage for the 29 acre park, museum and memorial including the site entrance, museum exterior entrance and directional signage ticket/information desk, specialty areas, donor wall, directional and information.
