At the gala, there will be an opportunity to make a tax deductible donation as part of the live auction, which will help make a difference in the lives of families that NJTLT support through its Serving Up Health (SUH) program. The focus of SUH is to combat the health complications of obesity which can significantly impact the quality of life for children and their family members.

We need your support! Please help SUH so that NJTLT can continue this impactful program. NJTLT is reversing deadly trends in obesity by using tennis, fitness, healthy cooking and nutrition education.
