### Terms & Conditions:

The Early Saver fare is subject to availability and is capacity controlled. Cruise rates are in US dollars, per person and based on double occupancy. Category restrictions, exclusions and cancellation penalties apply. Full names are required for each guest. Carnival reserves the right to withdraw and/or change offer at any time without prior notice. Price Protection applies to the cruise fare only and does not include Taxes, Fees and Port Expenses. Taxes, Fees and Port Expenses range from \$56.90 to \$359.73, and are assessed on a per guest basis for all guests according to the itinerary. Early Saver fare is backed by a unique price protection policy (only available to bookings made in USD currency) that allows you to adjust your cruise fare to the best available fare for a like category stateroom (no downgrades allowed) advertised by Carnival and available to the general public. Price protection will be subject to the prevailing Taxes, Fees and Port Expenses and/or fuel supplement if applicable. Carnival will honor your request for price protection if the reduction on the total amount paid for your booking results only from a lower cruise fare and not from the booked ancillary services, such as air, transfers, pre-paid gratuities, or Taxes, Fees and Port Expenses. The guest is responsible for increases to ancillary services such as air, resulting from changes to ship and/or sail date, or adjustments to cruise fare. Early Saver price protection does not apply to group rates, membership programs, charters, select promotional fares, travel agent rebates, or other travel agent promotions not offered by Carnival to the general public. When re-pricing to a new promotion, guest assumes all terms and conditions of the new promotion and may forfeit any or all features associated with the original fare, such as cabin assignment, onboard credit, an upgrade, special deposit and payment terms, etc. A \$50 change fee per guest will be assessed for ship and/or sail date changes made prior to final payment due date. Remaining funds are nonrefundable/nontransferable and will be held as a future cruise credit to be applied to your cruise fare on a sailing within 24 months from the date of cancellation. Unused portions are forfeited. Upgrades are automatically assigned at the time of booking and are based on availability in like to like categories only (interior to interior, ocean view to ocean view and balcony to balcony). Subsequent upgrades in lieu of price protection will no longer be offered. To submit a Price Protection claim, visit [carnival.com/earlysaver](http://carnival.com/earlysaver). When requesting a cruise fare adjustment, you must provide the lower rate amount and where the rate can be found. Requests will be accepted up to two business days prior to sailing. Lower rate must be: (i) for the same ship, sail date, stateroom category and number of guests; (ii) a qualifying Carnival advertised rate (iii) available for booking at the time the request is reviewed by Carnival's reservation agents. Verified rate difference is issued as an on-board credit. The on-board credit is non-refundable, non-transferable and has no cash value. Any unused portion of the onboard credit will be forfeited. Offer is applicable on new bookings made between April 11, 2016 and April 14, 2016 EDT. Offer is applicable on sailings between June 2016 through April 2018. Request Early Saver Sale.
