

The Tony® Award-winning Cole Porter classic, "Anything Goes", tells the age-old tale of boy meets girl and the complications which ensue. The action takes place aboard the SS America, sailing from New York to England, carrying an unusual group of passengers. Included amongst them are a gangster, his "moll," a wealthy debutante, her mother, her fiancé, a nightclub singing evangelist, a wealthy New York businessman, his stowaway assistant, sexy showgirls, and plenty of sailors. The amusing story is wrapped around a magical score including "It's De-Lovely," "Friendship," "I Get A Kick Out Of You," "All Through The Night," "Anything Goes," "You're The Top," and "Blow, Gabriel, Blow."

Dr. Meredith Drench

Merry Drench was an author and a popular lecturer in Physical Therapy and Behavioral Sciences. She was known for her sharp wit and great sense of humor and brought these same gifts to her decades of service and devotion to Hadassah. Unfortunately, she lost her battle with cancer in May, 2013.

Merry was a second-generation Life Member of Hadassah. Besides her role as president of the Western New England Region, she held many positions over the years, including president of Hadassah Rhode Island.

With Merry's approval, Hadassah established the Merry Drench Scholarship at Hadassah Academic College, in Jerusalem, to perpetuate her lifelong commitment to Hadassah and education. Her love of musical theater makes this fundraiser a perfect way to "applaud" Merry for the wonderful person that she was. She is missed by all who knew her.
