

BNC SCHOLARSHIP RECIPIENT

Dear BNC Members,

My name is Jacob Abrams and I would like to give you my utmost thanks and appreciation for the financial support that this scholarship provides me with. I am well aware of all the work that our BNC members have done for Brandeis students over the past six decades, and I can honestly say that you have made a lasting impact not just on myself, but on every student who attends this institution.

I would like to tell you a little about what I do here at Brandeis. I am a double major in Biology and Classical Studies, with a minor in Italian Studies, and I am pre-med. I am the Director of the Student Ambassador Organization and a student member the Brandeis National Executive Committee, and I have been involved in BNC since I came to Brandeis as a first-year. I am a Eunice M. Lebowitz-Cohen intern for our Department of Classical Studies' Artifact Research Collection, which means I am one of four undergraduate interns who curate our department's collection of over 800 ancient artifacts. I am the Junior Representative to the Alumni Association Board of Directors, a member of the Brandeis Beacons Society, and I race for Brandeis on the Ski and Snowboard Team during the winter.

Okay, maybe I do more than just a little bit here. But this is one of the most amazing aspects about this university – undergraduate students like me actually have multiple opportunities to be incredibly involved. These opportunities would not be possible without the generous support of people like you who have a vested interest in seeing the next generation succeed. Brandeis is a place where I can develop skills for success in life, and this Scholarship makes it that much easier for me to get ahead.

On behalf of Brandeis and BNC, thank you for all that you have done and will continue to do for our institution. I hope to have the chance to meet more of our BNC members very soon.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jacob Abrams'. The signature is fluid and cursive, with a long horizontal stroke extending to the right.
