

BNC SCHOLARSHIP RECIPIENT

Dear BNC Member,

Although it is nearly impossible to fully express the tremendous amount of gratitude that I feel towards you, I will do my very best.

I am eternally grateful for you and for your generosity. Thank you for being such an instrumental component in allowing me to live my life to its fullest potential. Because of you, I am growing at an exponential level and becoming a well-rounded, educated, and passionate individual. Attending Brandeis University has been one of the greatest blessings in my life - one that has already influenced me on so many levels, and will undoubtedly continue to do so for the rest of my life.

I absolutely love Brandeis. Every day, I feel more and more grateful that I have this extraordinary opportunity. Even though I have been here for a few months, it still feels surreal! I often have to pinch myself to remind me that this is, in fact, my life. The life I have been dreaming of for years.

To be able to personally thank those who have made this dream a reality is truly a blessing. I want you to know that your generosity is deeply, deeply appreciated from every part of my being. You have given me the gift of education and I promise you that I will use that knowledge to impact the world. Please know that not a day goes by that I don't remember how blessed I am to have this opportunity, and how your generosity has graciously allowed me to be here.

I look forward to, one day, being able to give back and help a student obtain the same opportunity. I certainly know how it feels to be on the receiving end, and I look forward to being able to give back as well!

My deepest appreciation,
