

Community Conversation & Celebration

with Larry and Narayan

Sunday, December 6th
3:00pm–6:00pm

CIMC's 30th Anniversary year comes to a close with an afternoon celebration and community-wide conversation. We hope you'll join us as we reflect on this milestone year, look ahead to 2016, and imagine the next 30 years in the life of the Cambridge Insight Meditation Center.

3:00-4:30: Larry and Narayan will share their reflections and aspirations for the future of our Center. We'll have time for the CIMC community to share thoughts and hopes, questions and ideas.

4:30-6:00: Enjoy time with friends, meet others who love the Center and learn more about CIMC. We'll have wonderful food and a free raffle with plenty of chances to win 30th Anniversary give-aways.

Everyone is welcome!

No registration necessary. We look forward to seeing you on December 6th.
