Auburn Hills Christian School (AHCS) is pleased to announce a newly developing athletics booster club! R.O.A.R. is being formed of parent volunteers with a desire to support, encourage and advance the athletic programs of AHCS. As a unit, the club will be committed to "Raising Our Athletic Resources" in an effort to hold down parental expenses.

At AHCS, students who are in grades 6th—12th, have the opportunity to become a school athlete. We believe that team sports play a vital role in a student's life and encourage our students to take advantage of the opportunity. In researching, statistics report that students who engage in team sports are more likely to get better grades, complete their education and enter into higher edu-

cation. In addition, it is believed that team sports raise self-esteem and self-belief. You may agree that there seems to be a correlation between believing in yourself and what happens in other areas of one's life, including academic curriculum.

Goals in action!

1. Updated equipment for teams
2. School bus painted w/logo.
3. New uniforms for teams
4. End of year athletic banquet
5. Reduction in fees to NACSC
6. Player fee reductions
7. A full sized gym!!

And more....

*these are goals we are working towards and are not guaranteed.

"Somewhere behind the athlete you've become and the hours of practice and the coaches who have pushed you is a child who fell in love with the game and never looked back... play for that child."

Mission Statement

The R.O.A.R. Booster Club is dedicated to the continued support of our student athletes, coaching staff and athletic program. Our purpose is to encourage enthusiastic support and interest in the Auburn Hills Christian School athletics department. It is our goal to promote Christian character, athletic excellence, good sportsmanship and individual character building relationships among athletes, coaches and parents while striving to hold down athletic expenses.

Getting Involved!

Do team sports pose a demand on parents? Of course they do! We would be lying if we said otherwise, but as you can see, the payoff is much greater than the sacrifice. A parent's involvement can assist in your child striving to reach his/her greatest potential.

If your child has possessed a

desire to play team sports, encourage him/her to try out! If finances have been a key reason in not allowing your child to participate, then R.O.A.R. has a purpose. Become part of that purpose by getting involved and supporting our club. Your volunteerism is a crucial part in allowing this club to operate in its full potential.

Consider becoming an active member of this club! There is plenty to be done and you are needed!

Why should I join?

- ⇒ Adult involvement and a strong athletic program are two proven elements of an excellent school.
- ⇒ Membership fees account for a large portion of the funds raised by R.O.A.R.
- ⇒ The sports at AHCS will not have separate booster clubs, so its strongly encouraged to support the one club that will fund them all.
- ⇒ Your Membership Makes a Difference!
