Citrix also supports HUF’s small business program, **Emerging Entrepreneurs**, and **the 2015 E-Summit (Entrepreneur Summit)**. In partnership with Broward SCORE, Emerging Entrepreneurs provides a comprehensive program based on Broward SCORE’s 5 Simple Steps model for starting and running a successful business. The E-Summit showcases the diverse array of businesses that contribute to South Florida’s regional economy. The E-Summit connects emerging entrepreneurs with business experts to learn what it takes to make it in today’s business world as a business owner.
