Tel: 203-513-2045 • Fax: 203-513-8036 • E-mail: info@fcma.org • Website: www.fcma.org

September 2015

Fairfield County Medical Association members now have access to a unique benefit. ***Members, their staff, family and friends receive a 15% discount on LifeLock services by subscribing through FCMA.***

To help safeguard your finances, credit, and good name, LifeLock offers three layers of proactive identity theft protection and \$1 million total service guarantee:

- Detect:** Live freely knowing that LifeLock searches over a trillion data points every day looking for potential threats to your identity.
- Alert:** LifeLock's patented Identity Alert System lets you know about suspicious activity by text, phone, or email.
- Restore:** US-based Identity Protection Agents are available 24/7 to help with questions or claims. If you become a victim, an Identity Restoration Specialist will help you with your case every step of the way.
- \$1M Guarantee:** Since no one can prevent all identity theft, if you become a victim of identity theft while a LifeLock member, LifeLock will spend up to \$1 million to hire experts, lawyers, investigators, and consultants to help your recovery.

In order to receive your 15% discount for as long as you remain a member, call John Zawadski, The Health Consultants Group at (860) 351-0102 or click below to enroll now.
