

Craig Field Days 2016

Hello Craig Community -- Mr. Stewart and Mrs. Weigand here to PUMP YOU UP for this year's Craig Field Day! Our theme this year will be team spirit and all ideas are welcome (e.g., shirts, banners, flags). Once again, for your convenience, and to allow the students to have one big fun day with their classmates, teachers, and hopefully you as well, we will have all events in one day. Opening Ceremonies will be held on Monday, May 2nd, and will include the entire school.

On **Tuesday, May 3rd** our **Kindergartners, 1st, and 2nd graders** will have their **Field Day** experience.

On **Wednesday, May 4th** our **3rd, 4th, and 5th graders** will have their **Field Day** experience.

During this time students will rotate around four events/locations during the whole day: See attached schedule.

Centers— Both gyms will be set-up with various activities, and games for the students to experience. There will also be some equipment and activities on the blacktop as well as a Disc Jockey. Our DJ will lead groups of students in dances, and other fun activities like the limbo, musical chairs, hula hooping contest and more. The students will have the freedom to move around these areas and choose the activities that they would like to participate in.

Tug-of-War – All grade levels and classes will enter and participate in a competitive Tug-of-War tournament. Before Field Days arrive we will have the teachers draw sticks, which place their classes against other classes in the first round of the tournament. Winners keep advancing until we have a grade-level champion that captures the trophy. We will be using a double elimination bracket so classes will have more than one opportunity to win.

Relays – All grade levels and classes will participate against each other in various fun and exciting relays like: Potato Sack, Balloon Pop, Fireman's, Pennies in the Sand, Tire, and anything else we can squeeze in. This event in particular surely brings back the memories from our own Field Days.

Lunch – Food will be provided by our cafeteria and packed by our PTA. Hamburgers and hotdogs will be served on the students Field Day, and you are welcome to join us as well. Look for a Field Day communication piece from our cafeteria to come home as the time nears so that our staff can plan accordingly.

On **Monday, May 2nd** we will have Opening Ceremonies.

Opening Ceremonies –Starting at 1:30 sharp on Monday, May 2nd we will have Field Day Opening Ceremonies! The theme for this event and all of Field Days will be team spirit. If you have never seen this event before, I encourage you to come and check it out. It's amazing!

I want to thank the Craig staff as well as our PTA for their assistance in helping us pull off this wonderful event. To all of our volunteers, thank you in advance!!!
