DID YOU KNOW

The Brookwood Homecoming Parade is October 9th at 4:00. This year the Brookwood cluster principals will be together on a float as part of the parade. They will be getting excited for the homecoming game, celebrating our great schools, and handing out candy. Come out and join the crowd and cheer on our AMAZING principals & students.

Support the Foundation

The more the Brookwood School Foundation raises each year, the larger the grants we can give to each school. In 2015, our grants totaled over \$24,000. Help us to spread the word about the Foundation, help us find new business partners, or join our team and help us plan community events and fundraisers.

BiddingForGood

Bidding for Good is an online auction where you can log in and bid on items. Each Brookwood Cluster school offers some great things for both parents & teachers to bid on, such as....

- front row seats to school events
- principal for the day
- priority parking & car-rider pickup

Look for emails as bidding opens.
