

Central York High School

601 Mundis Mill Road York, PA 17406 (717) 846-6789

April 13, 2015

Dear Parents/Guardians:

The Pennsylvania Department of Education requires all students enrolled in Algebra, Literature, and Biology to take the Keystone exam. The Keystone Exam results are reported for individual student, school, and district progress. Additionally, the Keystone Exams have been designed to comply with the newly created state system of high school graduation requirements impacting the class of 2017 and beyond.

Your child will be taking the Keystone assessment during the month of May 2015. Please see the enclosed schedule for specific dates. In preparation for the Keystone assessment, the district and high school have implemented a Pennsylvania Common Core aligned curriculum, embraced best practice teaching methodologies, and provided curricular interventions.

For further information regarding the Keystone Exams, please visit the Pennsylvania Department of Education's Standards Aligned System website at www.pdesas.org. To learn more about graduation requirements, please visit the Pennsylvania Department Of Education website at www.pde.state.pa.us.

Should you have any specific questions regarding Keystone testing and your student at the high school, please call me at extension 1305.

Should you have remaining questions and/or concerns regarding your child's social, emotional, and academic progress, please contact your child's teacher, counselor, or grade level principal.

Sincerely,

David A. Czarnecki, Ed.D.
Associate Principal

Ryan J. Cauffman
Principal
