Massachusetts has a network of eleven Independent Living Centers across the Commonwealth that empower people of all ages with a wide range of disabilities with the practical skills and self-confidence to take control over their lives and become active members of the communities in which they live, through their five core services:

- Peer Mentoring
- Skills Training
- Information and Referral
- Advocacy
- Transition

## Consumers served in 2015 For More information Contact:

|               |                                                                                                                                                                                          |
|---------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>25,928</b> | Consumers received services in 2015 from the eleven Independent Living Centers in the Commonwealth of Massachusetts.                                                                     |
| <b>228</b>    | Consumers transitioned from institutionalized settings such as Nursing Homes to the community. This is an estimated 4.5 million dollars in savings to the Commonwealth of Massachusetts. |
| <b>365</b>    | Consumers are in the process of transitioning to the community <i>with additional consumers being identified each quarter through the outreach of the centers.</i>                       |
| <b>11,257</b> | Information and Referral calls received by centers, <i>From Consumers, Family Members, Partners in the community, Municipalities and Government.</i>                                     |
