Has it been a long time since you've been on a bike or are you new to riding in the city? Come learn the basics at our Intro to Urban Bicycling Workshop. The course is a presentation covering the basics of how to pick the right bike for everyday riding in SF.

Topics covered include:

- Choosing a bike
- Rules of the road
- Route planning
- Bike safety skills
- Locking your bike
- And more!

A great introduction for anyone considering bicycling, or looking to brush up on their skills. This class is funded in part by the SFMTA and SFCTA.
