State License MFC25733

Janelle K. Novell, MA, LMFT, RPT-S
Marriage and Family Therapist
State License MFC32101

Novell & Novell Counseling Service has been one of the leading groups of mental health professionals in Southwest Riverside since 1990. We have become a valuable resource to the community through the many outpatient services, outreach and educational programs we provide. As a result of this, our mental health practice continues to grow and flourish.

With that said, we are delighted to announce the expansion of our mental health practice to include client access to a Psychiatrist. We are carefully conducting a thorough search for Psychiatrists of interest to add to our multidisciplinary team of clinicians. This addition to our practice is due to the increased inquiries from our loyal and valued clients.

We asked that all physicians who are interested in obtaining additional information regarding this expansion and the possibility of joining our clinical team to contact Ms. Liza Vega-Tallman at 951-694-0695 / Email: lvegatallman@novellcounseling.org.
