

Clark Fork Coalition

Milltown to Downtown Float Saturday, August 3

- M2D is a community float and celebration commemorating the Milltown Dam removal and restoration project, and the return of a free-flowing confluence of the Clark Fork and Blackfoot Rivers.
- **M2D float** will begin with “**Community at the Confluence**” which will include **learning kiosks** showcasing restoration and revitalization throughout the Clark Fork watershed, as well as **food, drink, safety demonstrations**, and **walking tours** of the park.
- After the float, there will be a **celebratory party at Cara Park** with **live music, food and drinks** for purchase, games, and more learning opportunities.
- To avoid congestion and parking conflicts, **CFC will organize shuttles** from Caras Park.
