

## Keys to Securing Brownfields Funding Webinar: How to Access Funding for Brownfields and Environmentally Impacted Properties in Your Community

This webinar is aimed at local governments, agencies involved with redevelopment, general improvement districts, school districts, community development corporations, tribes, non-profit organizations and any other parties interested in returning brownfields to productive economic and/or open space use. The webinar will discuss available resources, application schedules and guidelines, and projects which successfully utilized multiple sources of funding.

**New applicants and veteran grantees are welcome!**

You will hear from US EPA, DTSC and State Water Resources Control Board experts about their respective grant guidelines. The webinar is intended to make the grant funding process as transparent as possible and help you take advantage of these opportunities to fund your next project!

*This webinar will take place on  
**Wednesday June 15th**  
**1:00 - 2:30 PM***

*Webinar spots are limited –  
registration will be open until all  
spots are filled.*
