Attendance at a three-day introductory workshop can apply to the requirements for certification as a Tellington TTouch Practitioner. Students attending two three-day workshops will be considered to have completed the first session of the six sessions required for certification, though one six-day session of the ongoing program may separate the two workshops.

Tuition: \$395.00. A **\$200.00** deposit is due at the time of registration to hold a space. The balance is due 30 days before the training

Please note, if you pay your deposit with a credit card, any balance due will automatically be charged to the same card thirty days before the class start unless you have already paid the tuition in full, or let us know that you wish to use a different method of payment.

Three ways to Register:

- Online at www.ttouch.com select *Trainings & Workshops, Register for an Event*
- Mail a check to our office made payable to Tellington TTouch Training and note the course session in the memo line.
- Call our office to pay with your Visa, MasterCard, American Express, or Discover card

Cancellation Policy: Tellington TTouch Training reserves the right to cancel a session if necessary because of circumstances beyond our control or when enrollment is deemed insufficient. In this case all payments you have made will be refunded – whether deposit only or full tuition amount.

Participant Cancellation Policy: For cancellations made more than 30 days in advance of the training, a refund will be given minus a \$100.00 administrative fee. No refunds are given for cancellations made less than 30 days prior to the start of the training, but you may apply this money to another training that must be attended within one year of your cancellation date.

Animals attending the Training: Dogs and/or other companion animals are welcome to accompany you to the training for as many days of the class as you wish, but **you must let us know in advance at the time you register as we have a limit on the number of dogs who can participate.**

If you would like your dog or other animal companion to attend, you will need to register her/him with an Animal Profile form. Online at www.ttouch.com, select *Trainings & Workshops*, then select *Register Your Dog* or *Register Your Cat or Other Animal*. If you need a hard copy of the Animal Profile form, contact our office. The Animal Profile form(s) must be completed and submitted to us **no later than one month** prior to the start of the training.

You can register more than one dog for the class, but due to space constraints only one dog at a time may participate with you during each day of the training.

If there is a question about your animal companion, the instructor will contact you. Assume that your animal may attend unless you are otherwise notified.

If your dog will be attending, bring:

- Crate, x-pen, or at minimum a mat or rug
- Water bowl, food & treats
- Evidence of up to date vaccinations or titer
- Collar with ID tag, lead and any head halter or harness you may be using

Help us maintain good relations with our training facilities and partner hotels by:

- respecting guidelines and restrictions on number and size of animals per participant/per hotel room;
- safely containing your animal when you are not supervising them;
- leaving the facilities and your hotel room as you found them.

Suggested Reading: Before attending your first training we suggest you read Linda Tellington-Jones' book '*Getting in TTouch with Your Dog.*' You may purchase this on our web site: www.ttouch.com or call our shipping department at **866-813-8169** to place your order.

You will be given a binder with training handouts at your first class. You may wish to bring your own notebook as well for taking notes. If you are returning for your second or another continuing session, please bring your original three-ring binder to class.

What to Wear: Comfortable clothing for bending, stretching, occasionally sitting on the floor.

Meals: Meals are not included in the tuition. Water, coffee, tea, and light snacks are provided at the training facility. There is a one-hour break each day for lunch.
