# **Why I am Glad America is a Nation of Immigrants**

**America is a land of opportunities and freedom.**

**I'm proud of being born in this great nation,**

**Being a daughter of immigrant parents,**

**And that the major part of my family have**

**Migrated to this wonderful country!**

**Insecurity, politics, religion, poverty, main**

**Issues millions of people face every day**

**Forcing them to leave their mother country!**

**Different language, race, ethnicity,**

**Rich or poor, doesn't matter,**

**Equal rights for all!**

**Democracy, government beneficial for**

**Everyone here in this country!**

**Immigrants are inventors, artists,**

**Musicians, poet and a lot more!**

**Their contribution to our economy,  
Cultural beliefs enrich our communities.  
Thanks to our immigrants for bringing a  
Different flavor to our country!**

**Whenever the immigrants left from their countries  
They sacrificed everything.  
When they knocked on the door to this nation,  
They found freedom rights, education, and a better  
Life in our country!**

**Now think about it,  
This is why I love America, with its different  
Cultures, values, and principals.  
That all of us have brought to this amazing country!**

**Immigrants are strong, though fear to leave  
Everything behind!  
But with faith and will power start a whole new life!  
Immigrants such an important part of our country!**

**This land is like an enormous garden  
Full of different beautiful flowers,**

**With a variety of vibrant colors, and delightful scents!**

**Immigrants create a garden to be admired by all,**

**In this amazing country!**

**Now, that I think about it,**

**This is why I love America....**

**Because of what it has formed into.**

**A land of different cultures, values, and principals**

**That all of us have brought to this country!**

**That's why I'm glad American is a Nation of Immigrants.**
