

EQ 105.6 Tracking #012-16 Draft #1 Approved

RULE CHANGE TYPE

Extraordinary

EFFECTIVE

9/1/2016

BOARD ACTION

Approved 2/29/2016

EO REASON

Pursuant to the requirements listed under GR151.3, this EO request has been certified by a Federation recognized Affiliate Association (USHJA) Executive Committee by way of a formal unanimous vote that occurred 1/25/16. The committee is of the opinion that if this new proposed effective date is not implemented, the USHJA membership, and particularly those junior exhibitors competing in either or both the US Hunter Seat Medal and the ASPCA Horsemanship Class qualifying classes will be disadvantaged by inconsistent application of EQ105.6 where during a portion of the qualifying period a rider must be eliminated, but for another portion of the qualifying period, a rider cannot be eliminated for use of a particular kind of stirrup.

PROPOSED CHANGE

EQ105 Appointments [CHAPTER EQ-2 HUNTER/JUMPING SEAT EQUITATION]

CHANGE THE EFFECTIVE DATE FROM 12/01/2016 TO 9/01/2016

No change to the actual rule

EQ105 Appointments [CHAPTER SUBCHAPTER EQ-2 HUNTER/JUMPING SEAT EQUITATION SECTION]

6. When showing in the Hunter/Jumping Seat Equitation section it is recommended that riders use traditional stainless steel stirrup irons that promote proper position of the foot in the iron as well as a correct leg position. It is further recommended that riders use stirrup irons that allow judges a clear and unobstructed view of the position of the foot in the stirrup. Judges may not eliminate a rider for using a particular style of stirrup iron. (Exception: see EQ101.4)
