

Declaration Antitrust Compliancy

A competitive and free enterprise system is the basis of free market economy. This system, as the basis of a free market is protected and promoted by competition law. Consequently, the actions of the Alliance for Rural Electrification (ARE) will comply with all applicable antitrust and other laws regulating competition. More specifically: We do not act in a manner that unfairly influences the free market economy; We do not make any agreements - formal or otherwise - to fix or set prices or allocate products, markets, territories or customers; We do not obtain or share current or future information about price, profit margins or costs, bids, market share, distribution practices, terms of sales, specific customers or vendors.
