In order for TAs and Instructors to learn their steps we ask that they only dance with TAs or Instructors of the same level. We also ask that if you are not a TA or an Instructor in the level of training that you are attending, that you dance at the back of the room, so that the TAs and Instructors needing the training can see, and the Professional can concentrate on them. Your cooperation would be greatly appreciated.

All TAs are to attend Thursday training sessions.
