

## Conference Sponsors

**Steuben County  
Office for the Aging**

**SSSF** would like to thank our sponsors for their continued vision and support, and thank Corning Area Aging in Place for their collaboration on this project.

**Steuben Senior Services Fund, Inc.**

*Building a Resource for Aging in Place*

The Steuben Senior Services Fund (SSSF) is a public, not-for-profit senior citizen charitable fund established in the year 2000 to supplement future public funding for aging in place services for the elderly in Steuben County.

Most seniors want to age in place. They want to maintain their dignity and independence. SSSF can help them do that by building resources to help assure the availability of in-home services in years to come.

NO PLACE LIKE HOME

Exploring a new model  
for aging in place

**Tuesday,  
September 15, 2015**

**Radisson Hotel**

**125 Denison Parkway, East  
Corning, NY 14830**

Dr. Allan S. Teel, family physician, author of the book "Alone and Invisible No More," and founder of the Maine Approach, will be presenting a day-long seminar on aging in place. Dr. Teel's passion and commit-

ment to the thousands of senior citizens he has treated during his 30-year medical career have driven him to speak out forcefully on the eldercare crisis facing our communities and our country and to develop this new approach. Our hope is that his solution for aging in place can be replicated in our area.

**Full Circle America** supports Elders living in the comfort of their own homes, living their lives to the fullest using technology, social networking, life management and expansive volunteering. By pairing local care with Full Circle America services and technology, a system of care can be developed to help elders stay at home for a fraction of the cost of assisted living.
