Dear OGMA Member,

It is important to understand the cost of delinquent payments and how Prompt Payment Legislation can be a positive force to reducing costs and preventing subsequent loss of benefits to workers.

We are asking OGMA members involved in benefit/pension plans to provide the contact information for the individual who completed the PPO survey, along with the name of the benefit plan.

Please fill in the information below and return it by email to Sandra Skivsky, Director of Marketing and Business Development at Canada Masonry Centre at sskivsky@canadamasonrycentre.com.

The questionnaire needs to be completed by July 24, 2015, in order to have the results analyzed and compiled for our submission to the committee conducting the review of the Construction Lien Act.
